

Kristopher Van Sant

TECHNICAL SKILLS

HTML, CSS, Less, SASS, JavaScript, jQuery, AngularJS, Bootstrap, Foundation, Perch, Semplice, GitHub, Photoshop, Illustrator, GSAP, SVG

EXPERIENCE

Sesame Communications – Contract Web Developer

August 2018 – PRESENT

- Convert Photoshop Documents into pixel perfect, responsive, and accessible sites using HTML, CSS, JS, and PHP.
- Ensure each build functions correctly on a variety of mobile and desktop devices
- Image editing using Photoshop and Illustrator

Freelancer – Front-End Web Developer

October 2015 – Present

- Design and Build custom responsive websites for small businesses overseeing everything from hosting, CMS, to design and code.
- Provide ongoing technical support and website management
- Encourage collaboration and creativity within the Front-End Web community with projects such as #PassThePen and CollabTV
- Manage seasonal Collaborative Pens the community builds together, ensuring all feel welcome and comfortable in having a share in each project.
- Host live streams and meetups on Twitch focused on collaboration, creativity, and fun.

EDUCATION

Bloc – Front-End Web Development

November 2014 – April 2015

- 500+ hour program to learn front-end web development
- Built 4 applications using HTML, CSS, and AngularJS
- Learned about the development process using Git and GitHub for versioning, issue tracking, and code reviews, as well as Heroku for deployment.

Next Steps With CSS Layout Workshop April 2019
